The Tournament

Tournament format is a five person scramble. Each player will need to submit a current USGA handicap. 10% of the total team handicap will be used to determine the team's net score. If a player does not have a current handicap they may submit their last three 18 hole scores and a handicap will be assigned, but 36 will be the maximum handicap assigned. There will also be a "Calloway Division" for teams with a majority of players that do not have handicaps. Additionally, any team with total handicap of 150 or above will be put in the Calloway Division. A winner will be determined in the Calloway Division using a Calloway scoring formula. Winners will also be determined for gross and net team scores. All teams will be required to use 3 drives from each team member.

The Course

Stone Creek Golf Club is a Peter Jacobsen/Jim Hardy designed course. Presenting spectacular views of Mt. Hood, the course perfectly depicts the Pacific Northwest. Stone Creek is laid out over 165 acres of land with old-growth Douglas Firs, lakes, environmentally protected wetland, and features some of the best greens in Oregon. Putting green and driving range are available.
