I am always so pumped for this event. I am excited to see everyone and I hope you are telling more alumni about it so it will grow even more in the years to come. Alumni may not be able to play but you can always come and watch. We have several that want to do that too!!

We will be providing sandwiches, salad, chips, drinks and dessert for all Cougars, past and present. Unfortunately, because of cost, we will not be able to provide food and drink for family and friends of Cougars, but please bring your family to the social time if you would like. We will be eating in the hallway right outside the gym. This year, like last year, we are also asking, if possible, for a donation to the Cougar Volleyball fund for this event. (We are suggesting a \$10 min.) We love having the alumni event, but, like everything else, it costs us (fundraising) money to run it and would appreciate anything that you can give to help pay the expenses for this special event. Thank you very much!

I can't wait to see all of you again! It's my favorite time!
ROARRRRRRRRRRRR!
